Measure A  
Program  
Informational  
Update

Paul Reed presented a PowerPoint review of the Measure A Program to date. Paul noted that Measure A continues to be on time and on budget. He addressed questions relative to will there be money left over at the conclusion of Measure A? The answer is yes, however, Paul noted that the money is already earmarked to reimburse the District’s general fund in accordance with the Citizens Oversight Committee’s approval for projects that the District completed in tandem with Measure A including additions to the scope of projects or things that needed to be done throughout the process that could not wait.

Superintendent  
Search Process  
Update

The Board met with the California School Board’s Association Professional Search Screeners and Dick Loveall to review the essential traits and characteristics that the screeners will be reviewing candidate applications for. Additionally, the Board discussed changes to the search process relative to the timeline and the SSAC’s role. The Board modified the timeline and process and established that the Board would conduct the first level interviews during the week of April 17, 2006 and determine the candidates who will move to the second level interviews. On Friday, April 21 and Saturday, April 22, 2006, the Board and SSAC will interview the second level candidates (separately) with pre-determined questions. The 38 member SSAC will be split into two groups for interview purposes. Following the second level interviews, the SSAC members will be asked to provide written input to the Board on each candidate on a pre-formatted form.
