

Applied Behavior Analysis (ABA) Didactic Training

Who Should Attend: Instructional aides that are interested in moving into an ABA aide position. Special education teachers, speech pathologists, occupational therapists, general education teachers and site administrators will also benefit from this dynamic training opportunity

TOPICS:

- Facts and Fiction regarding research and treatment
- Foundations of effective treatment
- Evolution of Behavioral Interventions
- Discrete Trial Teaching (DTT) and Applied Behavioral Analysis

*Certificates of attendance will be provided to both certificated and classified staff who attend the entire 12 hour training.

**Understand that upon completing and passing the written and observation evaluation following the training you may be selected to work as an ABA instructional aide with an increased pay scale (7.5%). This would result in a reassignment to an autism classroom and/or ABA program.

***You are responsible for securing your own substitute, a minimum of 2 weeks prior to the training.
