

AUTISM DIAGNOSTIC OBSERVATION SCHEDULE (ADOS) TRAINING I

Target Audience: School Psychologists, Speech Pathologists and special education teachers

- *Join your colleagues and learn how to administer, score and interpret this measure as a team.*
- *Video tape from the publisher of the ADOS allows you to view administration, practice scoring and discuss interpretation with a team.*
- *Improve your clinical skills in assessing for autism and identifying unique educational needs in autism for the IEP team.*
- *Completion of all video tape (ADOS I and II) and appropriate practice (ADOS III and independent practice) will result in adequate training, per the ADOS publishers, to administer this measure in your practice.*
